150	doing them not talking about them	Oct 28, 2013 7:25 AM
151	Conserve the land, protect the area and community against dangerous chemicals and hydrofracking. Provide more trails and wilderness areas. Protect rural areas from further development.	Oct 26, 2013 5:27 PM
152	Maintain and mark trails	Oct 26, 2013 8:52 AM
153	Develop Trails	Oct 25, 2013 10:13 AM
154	Keep active trails open. Develop new trails. Convert rails to trails.	Oct 24, 2013 12:11 PM
155	Keep info articles coming.	Oct 24, 2013 10:25 AM
156	Maintain trails in open areas, allow enough of a shoulder on roads to allow for biking and running. Maintain snowmobile trails with signage so that snowmobiles stay off of ungroomed areas	Oct 23, 2013 9:55 AM
157	The Town can support our local land trust, Southern Madison Heritage Trust, in protecting open space for recreational use.	Oct 22, 2013 11:17 PM
158	support trails development, connect existing trails, require residential developments to build and if practical connect to existing trails	Oct 22, 2013 12:46 PM
159	Educate motorists about the presence of cyclists on the roadways: SHARE THE ROAD. Educate runners and cyclists about which side of the road they should use. Work to establish an interconnected trail system available to the public, similar to the Brookfield Trail System or the walking trails in England (although where this could happen in our town presents a bit of a quandary!).	Oct 21, 2013 5:02 PM
160	We need bike lanes desperately and signs cautioning drivers to pay attention to bicyclists. It is getting dangerous out there. and PLEASE get the deer under control. They are are threat to enjoyment of recreational activities	Oct 21, 2013 9:47 AM
161	The town crew does an awesome job maintaining sidewalks--quality and in weather conditions. Having a rail trail would be great. Maybe an interactive map on the Hamilton town website with suggestions of places to go to explore local fishing, kayaking, hiking, etc.	Oct 21, 2013 9:42 AM
162	The canal train is great. Anything else like that would be good, if there's a place for it.	Oct 20, 2013 8:31 AM
163	Invest in BIKE LANES. It is surprisingly hard - dangerous - to bike around the Town of Hamilton.	Oct 18, 2013 5:36 PM
164	conserve the land	Oct 18, 2013 7:45 AM
165	Build more sidewalks or have a bike lane, especially near Lake Moraine, place more signs informing people to be cautious due to pedestrians. Have more bike racks in town.	Oct 17, 2013 2:19 PM
166	Make open space a priority	Oct 17, 2013 2:01 PM
167	Create more opportunities for areas where they can take place; events, etc.	Oct 17, 2013 12:21 PM

Page 7, Q39. How can the Town support or promote these activities?

168	I think it is important that the town regulate the use of polluting equipment like snowmobiles and ATVs. And support homeowners whose land rights are being violated by people who seem to feel that just because they are driving a snowmobile or ATV they can drive it anywhere they'd like. Also, it is illegal to drive ATVs down the lane of a highway. Might want to check out what is happening on Route 12 near Hubbardsville every day.	Oct 17, 2013 7:36 AM
169	It shouldn't. These are things people do on their own.	Oct 17, 2013 6:38 AM
170	Support conservation easements that preserve open space	Oct 16, 2013 7:31 PM
171	Help encourage trail systems. Work with other groups to support activities on these trails/waterways (races, events, geocaching, etc.)	Oct 16, 2013 6:20 PM
172	biking lanes and hiking trails should be promoted, when necessary with public revenue; snowmobiling should be banned from the Villages and regulated elsewhere in the Town	Oct 16, 2013 3:54 PM
173	biking lanes would be nice--it doesn't feel very safe biking on the roads leading out of Hamilton	Oct 15, 2013 9:34 AM
174	Well-maintained off-road trails	Oct 12, 2013 2:11 PM
175	The town can make sure that areas in which people do these recreational activities are not made into housing developments or gas pits.	Oct 12, 2013 10:24 AM
176	trails	Oct 11, 2013 3:53 AM
177	Connect our beautiful trails with the trails both north and south of here.	Oct 10, 2013 7:25 PM
178	establish a town map that indicates public access areas for the various activities you listed above	Oct 10, 2013 5:14 PM

12	share Hamilton electric with earlville. Nothing much in this section pertains to Earlville	Dec 2, 2013 4:37 PM
13	I am not sure I can truly separate the Town of Hamilton from the Village of Hamilton well enough to answer these questions. As a matter of fact, it was difficult to keep my mind on thta distinction while answering the rest of the survey. As a Village resident, I feel that the Town plays a secondary role in my life. I would prefer to let those who identify more with the Town to have a say in this portion of the survey. These comments pertain to the remaining questions.	Dec 2, 2013 4:24 PM
14	all these are not necessary - too much money	Dec 2, 2013 4:18 PM

**Page 8, Q41. Which of the following actions do you think the Town should pursue?
(check those you feel are important)**

47	The only way to really save money is to completely consolidate the Town and the Village governments. The Village needs to be absorbed into the Town.	Oct 22, 2013 11:19 PM
48	I think the town is doing fine. Don't go where not needed or not asked due to politics	Oct 22, 2013 5:23 AM
49	While some of these services are certainly highly desirable, they need to learn to run themselves responsibly and stop putting their hands out to taxpayers whenever they have a problem	Oct 17, 2013 7:39 AM
50	Universal high-speed internet access could be a "selling" advantage for the town. It is as basic as other utilities.	Oct 17, 2013 6:40 AM
51	Consolidation of the the Town Office with the Hamilton ;Village Office, in any case the Town Office should be moved from its location on Broad Street, for many reasons, including failure to meet ADA requirements	Oct 16, 2013 4:10 PM
52	I would be very concerned if village services (and taxes) were extended beyond the current village borders	Oct 14, 2013 6:07 PM

227	Work with the villages	Oct 22, 2013 5:27 AM
228	Downtown village businesses should not have to pay individually for the snowplowing of the sidewalks. There is funding for the prettier things like water the hanging flowers. Now, let's provide functional access for people to their homes and businesses.	Oct 21, 2013 10:58 PM
229	Re-establish the planting of standard size trees along the roadways. (Sugar maples were traditional, but lindens are more salt tolerant. Oaks are lovely but slow to mature.) Roads shouldn't all look like super-highways. AND DON'T GET ME STARTED ON THE DITCHES!!!! Many of the ditches are now so deep and close to the edge of the road they present a hazard to life and limb. Many are level, so they don't drain water, but serve to collect stagnant pools: the perfect place to breed mosquitos. Surely there must be a better way to edge our roads!	Oct 21, 2013 5:45 PM

41	Zoning amendments to address modern gas drilling and wind power should not create districts. They should protect features like streams, wells, farm land, or homes and create set backs to protect those features. But districts could deny someone the right to drill or capture wind power even if none of those key features are put at risk. If industries like this are allowed, the Town should have strict road use laws, that charge for extra wear and tear. Performance bonds on developments like towers and wells should be held to make sure structures are not abandoned and left in disrepair. On the other hand, for better or worse, the Town should not try to usurp the States authority to regulate these industries. Local laws about state and nation wide industry would create an almost impossible environment for these industries anywhere in the state or country.	Nov 3, 2013 8:38 PM

46	The Town needs to work closely with Colgate University as the institution is developing its own strategic and master plans. These two important efforts should compliment each other and provide and unified vision for quality of life in the Town.	Oct 31, 2013 5:22 PM

48	Town and gown relations. We do a pretty good job compared to other locals (see Hamilton College/Clinton) but the student arrogance (especially while j-walking or double parking) and the contempt of Colgate by some "townies" seems to add an unnecessary friction.	Oct 31, 2013 12:23 PM

62	I think the town absolutely has a role to play but I get a sense it is trying to create issues for political ends. Let's be realistic about what the town is and is not and work accordingly	Oct 22, 2013 5:27 AM
63	While I acknowledge the importance and significance of the presence of Colgate in our community, I feel it is important to contain the growth of the University. Town officials should work with Village officials to keep the University from further expanding within the business district of the village. The boundaries of the historic district should be respected and increased. Town officials should work with village officials to ensure that the integrity of our historic architecture is maintained for a variety of reasons, not least of which is that it is attractive to residents and visitors alike. Within the Town proper, historic architecture should be preserved. The location of the Town Garage and salt storage is problematic. Perhaps a different location should be considered. A more central location for the Town Garage would help limit travel time for our road crews. Salt storage should not be next to an important waterway. It doesn't matter how large the storage facility is; salt will continue to leach into the stream and erode its banks. Lowering speed limits within the town. Use less salt on the roads in the winter. 65	This is minor, and may be a village issue as well: it would be wonderful to have the sidewalk along Payne St. extended to Spring St. (past the golf course and up the hill). There is heavy foot traffic along that section, and also lots of car traffic.	Oct 20, 2013 8:29 AM
66	Relations with the Town of Madison. I live in Madison (Hamilton PO and work at Colgate) and am stunned by how Madison local residents perceive and talk about Hamilton and the prejudice held towards Madison residents with Hamilton addresses.	Oct 18, 2013 5:40 PM
67	The amount of police activity in Hamilton detracts from the town's character. The current crackdown on student behavior is over the top, causes resentment amongst the students and doesn't change behavior. A softer approach from the police would go a long way towards enhancing the friendly atmosphere that otherwise exists in town.	Oct 17, 2013 2:08 PM

69	Poverty is an enormous issue which remains unaddressed in this survey. There are far too many children in the town whose parents struggle to feed and care for them. And there is not enough help. Please, much less concern about snowmobiles and recreation, or pretty storefronts in the village, and more concern about the well being of the people.	Oct 17, 2013 7:58 AM

	amount of poverty in the town and what will be done about it. The town is becoming more and more divided by economic standing. These are people who don't have the luxury of worrying about scenic views or recreational opportunities. The town ought to be more worried about the quality of life of its children.

72	Tourism. While this is part of economic development, we are in a unique place of being able to become a tourist destination. Colgate events and facilities, the Earlville Operahouse, our outdoor environment, our local produce and producers. People enjoy our beautiful town and village, let's work to draw more here.	Oct 16, 2013 6:33 PM
73	Missing is a topic of vital importance not only to the Town but to southeastern Madison County, to wit: annexation and consolidation where it makes sense, sharing of services with neighboring Towns as the most immediate and practical initiative; one problem mentioned above is extension of the Village of Hamilton into the Towns of Madison and Eaton; the Village of Earlville is divided by three Towns and two Counties; our elected and appointed local, county and state officials must be pressured to address intolerable anachronistic territorial jurisdictions; the promotion of agricultural and economic development must be done on a regional basis; as mayor I began to explore the creation of a regional planning and development authority, and a modest effort for the Village and Town to cooperate with the neighboring Towns of Madison and Eaton in the promotion of the Hamilton Municipal Airport and the development of the Mid-York Business Airpark was abandoned by my immediate successors.	Oct 16, 2013 5:43 PM
74	Many of my friends and I are deeply concerned about the proposed school merger. 77	Where do those of us who have worked entire careers in Hamilton and lived in town of Hamilton go when home ownership becomes burdensome? Don't really want to leave area, but retirees have fled. Retirees have discretionary income, can be a valuable asset to community, volunteer, etc. Make it attractive and not exclusively for Colgate alum.
